The Edesia is inspired by the Roman goddess with the same name, goddess of feasting and grand banquets. The smooth curves of the metal frame wraps around the back to hold the beautifully upholstered seat beneath and back rest.

FINISHES VARIATIONS

FBC London products are fabricated to the highest
quality. The majority of finishes are made and finished
by hand and thus some variation is to be expected.
FBC London works closely with our fabricators
to assure all the finishes are to our typical high
standards and closely align to FBC master references.
With finishes of natural material such as wood and
stone inherent disparities in colour and grain pattern
because of variations caused by nature, over which
FBC London has no control. FBC London cannot
guarantee exact colour, grain, or texture of wood or
stone but will work closely with you as our client to
highlight this where necessary
