FINISHES VARIATIONS

FBC London products are fabricated to
the highest quality. The majority of finishes
are made and finished by hand and thus
some variation is to be expected. FBC
London works closely with our
fabricators to assure all the finishes are
to our typical high standards and closely
align to FBC master references. With
finishes of natural material such as wood
and stone inherent disparities in colour and
grain pattern because of variations caused
by nature, over which FBC London has no
control. FBC London cannot guarantee
exact colour, grain, or texture of wood or
stone but will work closely with you as our
client to highlight this where necessary.
