

EDESIA DINING CHAIR

The Edesia is inspired by the Roman goddess with the same name, goddess of feasting and grand banquets. The smooth curves of the metal frame wraps around the back to hold the beautifully upholstered seat beneath and back rest.

FINISHES VARIATIONS

FBC London products are fabricated to the highest quality. The majority of finishes are made and finished by hand and thus some variation is to be expected. FBC London works closely with our fabricators to assure all the finishes are to our typical high standards and closely align to FBC master references. With finishes of natural material such as wood and stone inherent disparities in colour and grain pattern because of variations caused by nature, over which FBC London has no control. FBC London cannot guarantee exact colour, grain, or texture of wood or stone but will work closely with you as our client to highlight this where necessary.
