DESCRIPTION

Inspired by age-old beliefs and emphasised with modern design, the Minerva Desk takes its name from the Roman Goddess of wisdom, poetry and the arts. The shape of the base is reminiscent of a dissected bell. The Minerva features a smooth high gloss oak top which contrasts with the rough nature of the cast bronze legs. The underside of the top features a secret finger pull which unveils a drawer at the front.

FINISHES VARIATIONS

FBC London products are fabricated to the highest quality. The majority of finishes are made and finished by hand and thus some variation is to be expected. FBC London works closely with our fabricators to assure all the finishes are to our typical high standards and closely align to FBC master references. With finishes of natural material such as wood and stone inherent disparities in colour and grain pattern because of variations caused by nature, over which FBC London has no control. FBC London cannot guarantee exact colour, grain, or texture of wood or stone but will work closely with you as our client to highlight this where necessary.
