DESCRIPTION

The City range takes inspiration from London's skyscrapers that are reflected in the windows of different buildings around the city and is embodied in the design of the City range. Each chip is individually hand applied. The number of pull out drawers is variable depending on which size you choose. FBC London media units are designed to hold an automated television lift mechanism, please contact us to discuss specific requirements and television dimensions.

FINISHES VARIATIONS

FBC London products are fabricated to the highest quality. The majority of finishes are made and finished by hand and thus some variation is to be expected. FBC London works closely with our fabricators to assure all the finishes are to our typical high standards and closely align to FBC master references. With finishes of natural material such as wood and stone inherent disparities in colour and grain pattern because of variations caused by nature, over which FBC London has no control. FBC London cannot guarantee exact colour, grain, or texture of wood or stone but will work closely with you as our client to highlight this where necessary.
