DESCRIPTION

The epitome of a design classic in furniture terms, named after Fiona's husband. The Sol drinks trolley is a formed aluminium base finish, or powder coated to any RAL colour. The strong geometric lines of the metal frames, combined with the iroko wood provides a pleasing combination of textures. The drinks trolley also has wheels to allow ease of portability and with a lift out tray for maximum flexibility.

FINISHES VARIATIONS

FBC London products are fabricated to the highest quality. The majority of finishes are made and finished by hand and thus some variation is to be expected. FBC London works closely with our fabricators to assure all the finishes are to our typical high standards and closely align to FBC master references. With finishes of natural material such as wood and stone inherent disparities in colour and grain pattern because of variations caused by nature, over which FBC London has no control. FBC London cannot guarantee exact colour, grain, or texture of wood or stone but will work closely with you as our client to highlight this where necessary.
