

Hanging Instructions

CAUTION

This is a product made from natural fibers with inherent variations within the weave, which enhance the texture and appearance. Inspect product for major defects in construction prior to cutting or installing. Returns will not be accepted on cut panels. We recommend the installer open each roll and formulate an installation plan taking into consideration the natural variations.

PROFESSIONAL HANGERS

Only professional wallpaper hangers should be contracted to install Gregorius|Pineo wallcoverings. Our natural fiber wallcoverings are not covered under a warranty and no guarantee is offered against color fading, shrinkage, damage, or change due to contact with any liquid.

ADHESIVES

We suggest using a clear, non-staining, vinyl adhesive when installing our wallcoverings. Wall surfaces must be properly prepared prior to application.

TRIMMING

Our wallcoverings have not been pre-trimmed, and trimming is recommended for best results.
